A. MANDATORY CATEGORY NEEDY (Continued)

3. For children under Section 1902(a)(10)(A)(i)(VI) of the Act (children who have attained age 1 but have not attained age 6), the income eligibility level is 133 percent of the Federal poverty level (as revised annually in the Federal Register) for the size family involved.
4. For Children under Section 1902(a)(10)(A)(i)(VII) of the Act (children who were born after December 31, 1978 and have attained age 6 but have not attained age 19), the income eligibility level is 100 percent of the Federal poverty level (as revised annually in the Federal Register) for the size family involved.

For these children the State will disregard income of the difference between 100% and 133% of the FPL for the appropriate family size. The State will do this using SECTION 1902(r)(2) of the Act. The State will use federal poverty level figures, as revised annually in the Federal Register. This methodology is effective January 1, 1998.

If an individual receives a title II benefit, any amount attributable to the most recent increase in the monthly insurance benefit as a result of a title II COLA is not counted as income during a "transition period" beginning with January, when the title II benefit for December is received, and ending with the last day of the month following the month of publication of the revised annual Federal poverty level.

For individuals with title II income, the revised poverty levels are not effective until the first day of the month following the end of the transition period.

For individuals not receiving title II income, the revised poverty levels are effective no later than the beginning of the month following the date of publication.
